

# LAMINAR

Our company, Laminar Global Poland Sp. z o.o., is a subsidiary of Laminar Global Limited, providing software development as well as research and development services for its parent company. We specialize in creating advanced OTT (over-the-top) video platforms that allow media houses and content owners to build and manage their own streaming services under their own brands. Our solutions support global content delivery across multiple platforms, including desktops, mobile devices, and smart TVs.

I am pleased to recommend MDDP Outsourcing Polska Sp. z o.o. as a trusted and highly professional accounting partner. Our collaboration with MDDP Outsourcing Polska Sp. z o.o. has consistently demonstrated their deep expertise in financial reporting, payroll services, and regulatory compliance. From the very beginning, we have been able to count on full professionalism and timeliness in the execution of assigned tasks. The MDDP Outsourcing Polska team shows exceptional attention to detail and a proactive approach to managing complex accounting processes.

Notably, their ability to adapt to our evolving organizational needs is also has been a great advantage.

We appreciate their ability to quickly respond to regulatory changes and to implement new requirements in practice. On a daily basis, we can rely on the availability of MDDP Outsourcing Polska experts and their readiness to provide immediate support. Thanks to this, we can focus on business development, confident that our financial and tax matters are under control.

We fully recommend MDDP Outsourcing Polska Sp. z o.o. as a reliable and trustworthy partner for any company seeking comprehensive accounting and payroll services.
