### **Recommendation Letter**

Our company, Jinko Power Poland, primarily operates in the energy sector. We are part of the Jinko Power group. We specialize in the development and construction of renewable energy projects, particularly battery storage and solar energy systems. Currently, we are engaged in projects related to the construction and operation of photovoltaic farms and BESS in Poland.

Our company has been collaborating with MDDP Outsourcing since 2023. As part of our collaboration, MDDP Outsourcing provides us with accounting services. We have had the pleasure of working with MDDP Outsourcing for over a few years, and we can confidently say that it was a very good business decision.

From the very beginning, MDDP Outsourcing always diligently and promptly fulfilled its obligations, ensured high-quality services, and took care of our mutual relations. The outsourcing team actively participated in our projects, providing support at every stage. Thanks to the continuous support of MDDP Outsourcing, we have successfully achieved our business goals.

Based on our experience, we can confidently recommend MDDP Outsourcing as a reliable partner in the field of accounting services. Their services have always been of the highest quality, and most importantly, MDDP Outsourcing has always fully met our requirements, both in terms of timeliness and the specific needs of our industry. We are very satisfied with our collaboration and recommend MDDP Outsourcing as a reliable business partner.
